### **7 Wk:**

#### **Individual Notes:**

Margo Red is very confident and self-assured. She shows no stress in new situations, around new people, or in circumstances that would typically be considered stressful. She reacts appropriately to new sights and sounds. She is curious and investigative. This puppy has good memory and problem-solving abilities average to her age. She has an okay focus for her age. She has very good motivations for interaction, food, and toys at fairly equal and balance levels. She is socially appropriate in his interactions with littermates, with cats, and with other dogs. She is also socially appropriate in her interactions with people. She does use his mouth quite a bit, but has excellent bite inhibition and is easily redirected. She is rarely vocal. She is comfortable and tolerant of handling and restraint. Although, can be a bit wiggly due to the excitement of this interaction. This litter overall has no red flags and show no possessiveness. These puppies are very consistent with very few differences between them. They all have moderate energy. They are all very social, playful, and eager. They are excited, engaging, bubbly and personable. These puppies are well balanced and will adapt well in most any home, but will need interaction and engagement.

#### **Health notes:**

Red has no health notes.
