## **Individual Notes:**

Mia Blue overall is confident and self-assured. He has moderate energy. He shows no stress in new situations, around new people, or in circumstances that would typically be considered stressful. He is curious and investigative with new sights and sounds, including those that would be considered startling. He is happy, social, and playful. He is curious, eager, and engaging. He is also personable and affectionate. He is content and happy to explore and play on his own. He has a good memory and problem-solving abilities for his age. He also has average focus for his age. He has good motivations for interaction, food, and toys at fairly equal and balanced levels. He is comfortable and tolerant of handling and restraint. He is socially appropriate in his interactions with his littermates, other dogs, cats, and people. He does vocalize in socially appropriate situations, but can easily be redirected and distracted. He also uses his mouth to initiate or engage in play, but when he does, he has good bite inhibition. He has no red flags in his personality and shows no possessiveness. These puppies are very consistent with very few differences between them. These puppies are well-balanced and should adapt well into most any home.

## **Health notes:**

Blue has no health notes.
