Individual Notes:

Mia Red overall is confident and self-assured. She has moderate energy. She shows no stress in new situations, around new people, or in circumstances that would typically be considered stressful. She is curious and investigative with new sights and sounds, including those that would be considered startling. She is happy, social, and playful. She is curious, eager, and engaging. She is also personable and affectionate. She is content and happy to explore and play on her own. She has a good memory and problem-solving abilities for her age. She also has average focus for her age. She has good motivations for interaction, food, and toys at fairly equal and balanced levels. She is comfortable and tolerant of handling and restraint. She is socially appropriate in her interactions with her littermates, other dogs, cats, and people. She does vocalize in socially appropriate situations, but can easily be redirected and distracted. She also uses her mouth to initiate or engage in play, but when she does, she has good bite inhibition. She has no red flags in her personality and shows no possessiveness. These puppies are very consistent with very few differences between them. These puppies are well-balanced and should adapt well into most any home.

Health notes:

Red has no health notes.
