Individual Notes:

Gwen Green overall is confident and self-assured. He has mid to moderate energy. He is very playful, curious, social and happy. He is also personable, engaging, eager and affectionate. He is content explore and play on their own, but prefer to be with and around people. He shows no stress in new situations, around new people or circumstances that are typically considered stressful. He is curious and investigative with new sights and sounds, including those that are typically considered startling. He has a good memory, focus and problem-solving abilities above average for his age and stage of development. He has excellent motivations for interaction and food as well as good motivations for toys. He is socially appropriate in his interactions with his littermates, other dogs, cats and people. He is comfortable and tolerant of handling and restraint. He is rarely vocal and rarely uses his mouth, but when he does, he has very good bite inhibition. He shows no red flags in his personality and shows no possessiveness. These puppies are very well balanced and should adjust well into most any home.

Health notes:

Green has no health notes.
