### **Individual Notes:**

Gwen Red overall is confident and self-assured. She has mid to moderate energy. She is very playful, curious, social and happy. She is also personable, engaging, eager and affectionate. She is content explore and play on her own, but prefer to be with and around people. She shows no stress in new situations, around new people or circumstances that are typically considered stressful. She is curious and investigative with new sights and sounds, including those that are typically considered startling. She has a good memory, focus and problem-solving abilities above average for her age and stage of development. She has excellent motivations for interaction and food as well as good motivations for toys. She is socially appropriate in her interactions with her littermates, other dogs, cats and people. She is comfortable and tolerant of handling and restraint. She is rarely vocal and rarely uses her mouth, but when she does, she has very good bite inhibition. She shows no red flags in her personality and shows no possessiveness. These puppies are very well balanced and should adjust well into most any home.

### **Health notes:**

Red has no health notes.
