Individual Notes:

Jordynn Green overall is very confident and self-assured. He has mid to moderate energy. He shows no stress in new situations, around new people or in circumstances that would typically be considered stressful. He reacts appropriately to new sights and sounds. He is very curious and investigative. He is bubbly, happy, personable and engaging. He is confident, social, outgoing and playful. He is content to explore and play on his own while still working to get and keep your attention. Overall, he has a good memory, focus and problem-solving abilities average for his age and stage of development. He has very good motivations for interaction and food with good interest in toys. He is socially appropriate in his interactions with his littermates, other dogs, cats, and people. He does use his mouth to initiate or engage in play, but when he does, he has very good bite inhibition. He is vocal in socially appropriate situations, but it is easily managed and redirected. He has no red flags in his personality and shows no possessiveness. He is comfortable and tolerant of handling and restraint. These puppies are all consistent and very well balanced. These puppies should adapt well in most any home.

Health notes:

Some of these puppies are trending bigger than expected.
