### Individual Notes:

Karina green dot is confident and self-assured. He shows little to no stress in new situations, around new people, or in circumstances that are typically considered stressful. He is curious and investigative with new sights and sounds, including those that would typically be considered startling. He is socially appropriate in his interactions with litter mates, cats, and other dogs. He has a good memory, focus, and problem-solving abilities. He also has good motivations for interaction, food, and toys average for his age and stage of development. He is socially appropriate in his interactions with people. The litter overall have no red flags and show no possessiveness. They are all comfortable and tolerant of handling and restraint. These puppies are very consistent with very few differences between them. They all have mid-level energy. They are all content to explore and play on their own but still very personable and engaging. They are gentle and respectful with handling and interaction. They are playful, curious, happy, and social. These puppies are well balanced and would be well suited in most any home.
