Individual Notes:

Reba Orange is confident and self-assured. He shows little to no stress in new situations, around new people, or in circumstances that are typically considered stressful. Orange reacts appropriately, and is curious and investigative to new sights and sounds that would typically be considered startling. This puppy has good memory focus and problem-solving abilities average to his age and stage of development. He has good motivations for food and toys and has excellent motivation for interaction. He is socially appropriate in his interactions with littermates, with cats, and with other dogs. He is also socially appropriate in his interactions with people. He does use his mouth to initiate or engage in play, but has very good bite inhibition. He is rarely vocal. This litter, overall, has no red flags and shows no possessiveness. They are all

comfortable and tolerant of handling and restraint. These puppies are very consistent with very few differences between them. This litter has mid to moderate energy. They are all playful, curious, social, and happy. They are eager, engaging, personable, and affectionate. These puppies are gentle with handling and interaction. This litter is a little immature, but it did not effect the results of this test. These puppies are well-balanced, and should adapt well into most any home.
