Individual Notes:

Ziti pink dot is confident and self-assured. She shows no stress in new situations, around new people, or in circumstances that would typically be considered stressful. She is curious and investigative with new sites and sounds including those that are startling. She has a good memory, focus, and problem-solving abilities average for her age and stage of development. She has good motivations for interaction, food, and toys at fairly equal and balanced levels. She is socially appropriate in her interactions with litter mates, cats, other dogs, and with people. She is very gentle and rarely uses her mouth. She has excellent bite inhibition. The litter overall are comfortable and tolerant of handling and restraint. They are

rarely vocal. These puppies have no red flags and show no possessiveness. They are very consistent with very few differences between them. They all have mid to moderate energy. They are personable, playful, happy, and social. They are eager and engaging. These puppies are content to explore and play on their own but prefer to be with and around people. They are well-balanced and should adapt well into most any home.

Health notes:

Pink Dot has no health notes.
