Individual Notes:

Presleigh Blue overall is very confident and self assured. He has mid to moderate energy. He shows little to no stress in new situations, around new people or in circumstances that are typically considered stressful. He has mid to moderate energy. He is eager, curious, playful and social. He is personable, affectionate, and engaging. He is content to explore and play on his own. He reacts appropriately with new sights and sounds, including those that are startling. He is socially appropriate in his interactions with his littermates, other dogs, cats and people. He has a good memory, focus and problem-solving abilities average for his age and stage of development. He has good motivations for interaction, food and toys at very equal and balanced levels. He is rarely vocal and rarely uses his mouth to initiate or engage in play, but when he does, he has very good bite inhibition. These puppies are well balanced and fairly consistent with very few differences between them. These puppies will adjust well into most any home.

Health notes:

Blue has an underbite.
