Individual Notes:

Mila Green overall is confident and self-assured. He shows no stress in new situations, around new people, or in circumstances that are typically considered stressful. He reacts appropriately to new sights and sounds, including those that are startling. He has a good memory focus and problem-solving abilities. He also has good motivations for interaction, food, and toys at fairly equal and balanced levels. He is socially appropriate in interactions with his littermates, with cats, and with other dogs. He is also socially appropriate in his interactions with people. He does use his mouth to initiate and engage in play, but has a good bite inhibition. He is rarely vocal and he is comfortable and tolerant of handling and restraint. This litter overall has no red flags and shows no possessiveness. They are very consistent with very few differences between them. Green has mid-level to moderate level energy. This entire litter is playful, curious, social, and happy. They are engaging and interactive. They are content to explore and play on their own. Overall, they are very well balanced and should adapt well into most any home.

Health notes:

Green has no health notes.
