Individual Notes:

Carmella pink is confident and self-assured. She shows little to no stress in new situations, around new people, or in circumstances that are typically considered stressful. She reacts appropriately to the new sites and sounds. She is curious and investigative. She has very good memory, focus and problem-solving abilities at above average levels for her age and stage of development. She also has very good motivations for food and toys. She has excellent motivation for interaction. She is socially appropriate in her interactions with litter mates, cats and with other dogs. She is also socially appropriate in her interactions with people. She is very engaging. She rarely uses her mouth and has excellent bite inhibition. If she does she is also rarely vocal. She is comfortable and tolerant of handling and restraint. She actively seeks out this type of interaction. The litter overall have no red flags and show no possessiveness. These puppies are fairly consistent. All of them having mid to moderate energy. These puppies are all personable, affectionate, eager, and engaging. They are bubbly, happy, social, and playful. They are all content to explore and play on their own, but prefer to be with an around people. This litter overall has excellent potential for therapy work.

Health notes:

Pink has no health notes.
