Individual Notes:

Genevieve Pink Dot is very confident and self-assured. She shows no stress in new situations, around new people, or in circumstances that are typically considered stressful. She is curious and investigative with new sites and sounds, including those that are considered startling. She has a good memory, focus, and problem-solving abilities. Her focus is very good for her age, it is well above average, particularly with people. She has excellent motivation for interaction and good motivation for food and toys. She is socially appropriate in her interactions with litter mates, cats and with dogs. She is also socially appropriate in her interactions with people. Pink Dot can be pushy in her efforts to get and keep your attention, it can be intrusive at times. She has excellent bite inhibition when she uses her mouth to initiate or engage in play. She is also rarely vocal. Pink Dot has moderate energy. The litter overall have no red flags and show no possessiveness. They are all comfortable and tolerant of handling and restraint. These puppies are curious, playful, social and happy. They are eager and engaging. They are very personable and affectionate. Pink actively works to get and keep your attention. She has very good service potential and would do best in a home where she will not be left alone often and has an active engagement. The puppies are more balanced. They are very eager and engaged, but also content to explore and play on their own.

Health notes:

Pink Dot has no health notes.
