#### Individual Notes:

Zara Blue is confident and self-assured. He shows no stress in new situations, around new people, or in circumstances that would typically be considered stressful. He is curious and investigative with new sights and sounds, including those that would typically be considered startling. This puppy has very good memory, focus, and problem solving abilities at above average levels for their age and stage of development. He also has very good motivations for interaction, food, and toys. He is socially appropriate in his interactions with littermates, with cats, and with other dogs. He is also socially appropriate in his interactions with people. He rarely uses his mouth, but has excellent bite inhibition when he does. He is rarely vocal.

Overall, The Zara litter has no red flags and shows no possessiveness. They are comfortable and tolerant of handling and restraint, although can be a little wiggly due to the excitement of the interaction. These puppies all have mid to moderate energy. They are eager, playful, social, and happy. They are inquisitive and content to explore and play on their own. They are very personable and affectionate. These puppies are very well balanced insured to adapt well into most any home environment.

#### Health notes:

Blue has no health notes.

Greene has excellent motivation for toys

green uses his mouth quite a lot to initiate and engage in play but has excellent bite, inhibition,
