Individual Notes:

Zelda red is confident and self-assured. She shows little to no stress in new situations, around new people, or in circumstances that are typically considered stressful. She reacts appropriately to new sites and sounds. She is curious and investigative. She is socially appropriate in her interactions with litter mates, cats, and with other dogs. She is also socially appropriate in her interactions with people. She does use her mouth somewhat and has average bite inhibition. She is rarely vocal. The litter overall have no red flags and show no possessiveness. These puppies have a good memory, focus, and problem-solving abilities average to their age and stage of development. They also have good motivations for interaction, food, and toys at fairly equal and balanced levels. These puppies are fairly consistent and all have mid to moderate energy. There are very few differences between them. They are all personable, engaging, curious and social. They are playful and happy. Red is very well balanced. She is personable and engaging without being needy. She is content to explore and play on her own without being overly independent. These puppies are well balanced and should adapt well into most any home.

Health notes:

Red has no health notes.
