## **Individual Notes:**

Carmella orange is confident and self-assured. He shows little to no stress in new situations, around new people, or in circumstances that are typically considered stressful. He reacts appropriately to the new sites and sounds. He is curious and investigative. He has very good memory, focus and problem-solving abilities at above average levels for his age and stage of development. He also has very good motivations for food and toys. He has excellent motivation for interaction. He is socially appropriate in his interactions with litter mates, cats and with other dogs. He is also socially appropriate in his interactions with people. He is very engaging. He rarely uses his mouth and has excellent bite inhibition. If he does he also is rarely vocal. He is comfortable and tolerant of handling and restraint. He actively seeks out this type of interaction. The litter overall have no red flags and show no possessiveness. These puppies are fairly consistent. All of them having mid to moderate energy. These puppies are all personable, affectionate, eager, and engaging. They are bubbly, happy, social, and playful. They are all content to explore and play on their own, but prefer to be with an around people. This litter overall has excellent potential for therapy work.

## **Health notes:**

Orange has no health notes.
