Individual Notes:

Romy green dot is confident and self-assured although he needs a little time to adjust into a new situation. He shows little to no stress in new situations, around new people, or in circumstances that are typically considered stressful. He has a good memory, focus, and problem-solving abilities average for his age and stage of development. He also has very good motivations for interaction and good motivation for food and toys. He is socially appropriate in his interactions with litter mates, cats, and with other dogs. He is also socially appropriate in his interactions with people. The litter overall have no red flags and show no possessiveness. They rarely use their mouth to initiate or engage in play and have excellent bite inhibition if they do. They are rarely vocal. These puppies are fairly consistent. They are all playful curious, social and happy although they need a little time to adjust into new situation. Once adjusted, they are all affectionate, eager, social and happy. Green Dot has mid to moderate energy and are very well balanced. He should adapt well into most any home.

Health notes:

Green Dot has no health notes.
