#### **Individual Notes:**

Jersey Pink Dot is confident and self-assured. She shows little to no stress a new situation's around new people, or in circumstances typically considered stressful. She is curious and investigated with new sites and sounds, including those that should be considered startling. Pink Dot has very good memory, focus, and problem-solving abilities above average her age and stage of development. She has excellent motivations for interaction. She also has good motivation for food and toys. The Jersey puppies are socially appropriate in their interactions with one another, with cats, and with other dogs. They are socially appropriate in their interactions with people. A couple of the puppies wine in their effort to get or keep your attention, but otherwise are rarely vocal. Pink Dot does use his mouth to get or keep your attention or to initiate play, but she has excellent bite inhibition. Pink Dot has Mid to Moderate energy. Pink Dot has no red flags and show no possessiveness. She is comfortable and tolerant of handling and restraint. She actively is seeking interaction. They are very well, balanced, being personable and engaging without being pushy or overly assertive. They are content explore and play on their own without being too independent. These puppies are well balanced, and should adapt well into most any home

### **Health notes:**

Pink Dot has no health notes.
