Individual Notes:

Delores Green Dot is a little timid to start in a new situation, but does adjust very well and on his own. Once adjusted, he shows little to no stress in new situations, around new people, or in circumstances typically considered stressful. This puppy reacts appropriately to new sights and sounds, he is curious and investigative. He is socially appropriate in his interactions with littermates, with cats, and with other dogs. He is also socially appropriate in his interactions with people. He does use his mouth to initiate or engage in play, but has a very good bite inhibition. Green Dot is rarely vocal. He has a good memory, focus, and problem-solving abilities average for his age and stage of development. He also has excellent motivations for interaction, and good motivation for food and toys. He has mid to moderate energy. Once he is adjusted, he becomes very bubbly, happy, social, eager, and engaging. This puppy has no red flags and shows no possessiveness. He is comfortable and tolerant of handling and restraint. He is personable and affectionate. He is calm and gentle with handling and interaction. Green Dot is content to explore and play on his own, while not being overly independent. He is very well balanced, and should adapt well into most any home environment.

Health notes:

Green Dot has no health notes.
