Individual Notes:

Gabby Blue was weaned with the Naomi litter. This group is very confident and self-assured. They show no stress in new situations, around new people, and circumstances typically considered stressful. They react appropriately to new sites and sounds. They are curious and investigative, which includes sights and sounds which may be startling. These puppies show no stress in new situations, around new people, or in circumstances typically considered stressful. These puppies have a good memory, focus, and problem-solving abilities average to their age and stage of development. They have excellent motivations for interaction and good motivation for food and toys. These puppies are socially appropriate in their interactions with one another, with cats, and with other dogs. They are also socially appropriate in their interactions with people. They do use their mouth quite a lot to initiate or engage in play, but have very good bite inhibition. These puppies are rarely vocal. They have no red flags and show no possessiveness. These puppies are very consistent. Gabby Blue, Naomi Green, and Naomi White all have mid to moderate energy. The rest of the litter has moderate energy. These puppies are very personable and engaging. They are eager and affectionate. They are bubbly, happy, social, and curious. White has good potential for therapy work. These puppies are well-balanced and should adapt well into most any home.

Health notes:

Blue has no health notes.
