Individual Notes:

The Ingrid litter overall is confident and self-assured. They show little to no stress in new situations, around new people, or in circumstances typically considered stressful. These puppies are curious and investigative with new sites and sounds, including those that should be considered startling. These puppies have very good memory and problem-solving abilities for their age and stage of development. They also have good focus for their age. These puppies have excellent motivations for interaction and food. They also have very good motivation for toys. These puppies are socially appropriate in their interactions with one another, with cats, and with other dogs. They are also socially appropriate in

their interactions with people. They do use their mouth to initiate or engage in play somewhat, but have excellent bite inhibition. Orange and White are exceptionally gentle in their interactions with people. They have no red flags and show no possessiveness. They are all comfortable and tolerant of handling and restraint. White and Orange have mid-level energy. They are very gentle and respectful with their interactions. They are very personable and engaging. They are bubbly, happy, social, and playful. They are content to explore and play on their own, but prefer to be with and around people. They have excellent potential for therapy work. Ingrid Green is a little more independent than the rest of the litter, but is still very personable and interactive. Blue, Green, Pink, Red, Pink Dot and Red Dot all have mid to moderate energy. They are playful curious, social and happy. They are well-balanced. they are content explore and play on their own while still being personable and playful. They are eager and engaging. They are happy and playful. These puppies are well balanced, and should adapt well into any home
