Esmeralda White

Esmeralda White is confident and self-assured, showing little to no stress in new situations, whether around new people or in typically stressful circumstances. She eagerly investigates new sights and sounds, including those that might be considered startling. Esmeralda White exhibits balanced motivation for food, toys, and interaction, demonstrating good memory and problem-solving abilities above average for her age and development stage. She is socially appropriate with other dogs, cats, and people. She uses her mouth to initiate or engage in play but does so gently and appropriately, displaying good bite inhibition. She is comfortable and tolerant of handling and restraint, showing no red flags or possessiveness. Esmeralda White has a mid to moderate energy level. Overall, Esmeralda White is well-balanced and should do well in most homes.

Health Notes: None
