Colleen Boys Temperament Overview:

The Colleen litter overall is confident and self-assured, although a couple of puppies need a little time to adjust into new situations. These puppies overall show little to no stress and new situations, around new people, or in circumstances typically considered stressful. These puppies are curious and investigative with new sights and sounds.

Overall these puppies have no red flags and show no possessiveness. They are all comfortable and tolerant of handling and restraint. They are rarely vocal. These puppies are socially appropriate in their interactions with one another, with cats, and with other dogs. They are also socially appropriate and their interactions with people.

Colleen Blue

- **Energy Level:** Mid
- **Personality:** Blue is timid to start but does adjust on his own if allowed. He is very sweet and gentle with interaction. He will do best in a home that will allow him to adjust to new things without being overwhelmed.
- **Weight:** 6.68lbs
- **Health Notes:** Underbite: Has a slight underbite, but our vet has confirmed it's purely cosmetic and won't cause any pain or discomfort, nor will it affect his ability to eat, play, or live a normal, happy life. As he grows, it will most likely correct itself or become even more mild over time.

Colleen Green

- **Energy Level:** Mid to Moderate
- **Personality:** Green is very well balanced, and should adapt well into most any home. He is sweet and engaging while still being content to explore and play on his own.
- **Weight:** 4.94lbs

- **Health Notes:** NA

Colleen **Orange**

- **Energy Level:** Mid to Moderate
- **Personality:** Orange is well balanced, sweet, playful and happy. He is content to explore and play on his own while still being engaging. This puppy should adapt well into most any home.
- **Weight:** 7.44lbs
- **Health Notes:** Underbite: Has a slight underbite, but our vet has confirmed it's purely cosmetic and won't cause any pain or discomfort, nor will it affect his ability to eat, play, or live a normal, happy life. As he grows, it will most likely correct itself or become even more mild over time.

Colleen **Blue Dot**

- **Energy Level:** Mid to Moderate
- **Personality:** Blue dot uses his mouth a little more to play than the rest of the litter but is very gentle. He is curious, eager, social, and happy. He should adapt well into most any home.
