Jordynn Girls Temperament Overview:

The Jordan litter overall is confident and self-assured. They show no stress in new situations around new people or in circumstances typically considered stressful. These puppies are curious and investigated with new sights and sounds, including those that should typically be considered startling. Overall these puppies react appropriately to things that are startling. They are neutral and recover very quickly. These puppies have good memory, focus, and problem-solving abilities average to their age and stage of development. They also have very good memory, focus, and problem-solving abilities average to their age and stage of development.

Overall, these puppies are socially appropriate in their interactions with one another, with cats, and with other dogs. They are also socially appropriate in their interactions with people. They have excellent bite inhibition and are rarely vocal. They have no red flags and show no possessiveness. They are all comfortable and tolerant of handling and restraint. Most of these puppies actively seeking out this type of interaction. These puppies are fairly consistent

Jordynn Pink

- **Energy Level:** Moderate
- **Personality:** Pink is playful, bubbly, silly, and eager. She is well balanced and should adapt well into most any home.
- **Weight:** 5.02lbs
- **Health Notes:** She has an underbite

Jordynn Red

- **Energy Level:** Mid
- **Personality:** Red's a little more independent than some of her littermates but still personable and playful. She will be a better fit than some of her littermates in a home that needs to leave their puppy alone.
- **Weight:** 6.40lbs
- **Health Notes:** Umbilical Hernia: This is not expected to cause pain or discomfort and should not impact her daily activities and quality of life.

Jordynn White

- **Energy Level:** Mid
- **Personality:** White is well balanced and a little more independent than some of her littermates. She is still engaging and affectionate and seems to take most everything in stride. She will be a better fit than some of her littermates in a home that needs to leave their puppy alone.
- **Weight:** 7.24lbs
- **Health Notes:** Umbilical Hernia: This is not expected to cause pain or discomfort and should not impact her daily activities and quality of life.
