Analise x Maverick — Parent Overview

Analise is a respectful, playful, and happy poodle with a bright, engaged personality. She is very present in every interaction and naturally gravitates toward people, showing wonderful motivation for connection and engagement. Her sweet, interactive nature makes her a joy in every setting.

Breed: Standard Poodle

Weight: 41lbs

Maverick is fun-loving, self-assured, and packed with personality. He brings a playful, bubbly disposition to the pairing, adding charm and confidence that beautifully complements Analise's thoughtful, engaging temperament.

Breed: F1B Goldendoodle

Weight: 25lbs

Together, Analise and Maverick are expected to produce puppies who are personality-forward, balanced, engaged, and full of fun. Their puppies will likely have average to slightly above average energy levels, strong motivations for interaction and exploration, and an enthusiasm for life that makes them wonderful companions. This litter should be a warm, lively, and joyful addition to most homes.
