

Meet the Parents

Colleen x Archer — Parent Overview

Colleen is an outgoing, playful, and sweet girl with a naturally joyful spirit. She always seems to be smiling, full of confidence, and full of herself in the most charming way. Her bright, happy demeanor makes her a delightful and engaging mother.

Breed: F1 Goldendoodle

Weight: 56lbs

Archer is similar in many ways, bringing an outgoing, friendly, and playful nature to this pairing. He has a more balanced and calm temperament than Colleen, but he remains social, affectionate, and a total snuggler. He's a big happy boy who loves interaction and embraces life wholeheartedly.

Breed: Standard Poodle

Weight: 63lbs

Together, Colleen and Archer are expected to produce puppies that are joyful, outgoing, and overflowing with personality. This litter should have mid-to-moderate energy levels, strong playful spirits, and an excellent desire to please. With their people-focused temperaments and natural confidence, these puppies should be a wonderful fit for nearly any home or lifestyle.

Overall, this litter should embody happiness, engagement, and charm — a group of puppies ready to bring joy into any loving family.
