Julianna x Tux — Parent Overview

Julianna is an outgoing, friendly, and affectionate mother with a big personality and an even bigger heart. She is expressive, social, and full of playful drama. Above all, she thrives on interaction and loves being surrounded by people. Her warm, engaging nature makes her a joy to be around and a wonderful foundation for this pairing..

Breed: Standard Poodle

Weight: 51lbs

Tux comes with a very similar description — just turned all the way up. He is bubbly, bouncy, goofy, and endlessly playful. A true one-of-a-kind personality, he is the drama in the most hilarious, lovable way. Motivated by absolutely everything around him, Tux is social, enthusiastic, and full of life.

Breed: F1B Goldendoodle

Weight: 40lbs

Together, Julianna and Tux are expected to produce puppies overflowing with personality — social, outgoing, and wonderfully people-focused. Their puppies will likely have average to above-average energy levels, a strong motivation for interaction, and the kind of lively, charismatic charm that brightens every home they join.

Overall, this litter should be playful, expressive, and full of heart, making them a fun and joyful addition to most family environments.
