Madonna x Easton — Parent Overview

Madonna is one of the sweetest and most gentle dogs in our entire program. She is deeply motivated by interaction and thrives on connection with her people. Soft, engaging, and an absolute cuddle bug, she brings a tender warmth that makes her truly special as both a companion and a mother.

Breed: F1 Goldendoodle

Weight: 49lbs

Easton is balanced, respectful, and self-assured — a calm, confident boy with a steady temperament. His wonderful energy level allows him to be playful and relaxed all in the same breath, offering a beautiful combination of maturity and charm.

Breed: Moyen Poodle

Weight: 37.1lbs

Together, Madonna and Easton are expected to produce puppies who are gentle, affectionate, and naturally self-assured. Their little ones will likely have average energy levels, strong people-oriented motivation, and the kind of sweet, easygoing nature that makes them a wonderful addition to most homes.
