Marina x Captain — Parent Overview

Marina is a playful, outgoing, and charismatic girl with a naturally engaging spirit. She is well balanced, social, and always ready to participate in whatever her people are doing. Her friendly personality makes her a wonderful and easy companion.

Breed: F1 Goldendoodle

Weight: 60lbs

Captain mirrors Marina beautifully. He is affectionate, self-assured, and outgoing, with a calm, balanced nature that allows him to adapt easily to anything and everything. He's open, confident, and motivated by interaction, making him a steady and loving father.

Breed: Moven Poodle

Weight: 32lbs

Together, Marina and Captain are expected to produce puppies that are outgoing, confident, and full of playful charm. We anticipate mid-to-moderate energy levels, strong motivation for engagement, and wonderfully social temperaments. These puppies should settle beautifully into most home environments and thrive with families who enjoy interactive, people-oriented dogs.

Overall, this litter should be affectionate, lively, and well-balanced — an easy, happy addition to nearly any household.
