Nebula x Micah — Parent Overview

Nebula is a sweet, gentle-spirited poodle with a calm and thoughtful temperament. She has an easy, average energy level and a wonderful motivation to please. As a mother, she is nurturing, steady, and naturally charismatic — the kind of dog who makes everyone around her feel at ease.

Breed: Moyen Poodle

Weight: 35lbs

Micah brings a bright, lively spark to this pairing. He is bubbly, boisterous, and an absolute goofball, always ready to entertain and make people smile. With moderate energy and a strong desire to please, he lights up every room he enters.

Breed: F2B Goldendoodle

Weight: 29bs

Together, Nebula and Micah are expected to produce puppies who are social, playful, and confident, with a balance of gentle sweetness and cheerful enthusiasm. Their puppies should be wonderfully trainable, motivated to please, and well-suited for a wide variety of households — especially homes with a moderate level of daily activity and commotion.
