Marnie x McWagger — Parent Overview

Marnie is a sweet, gentle, and charming girl whose affection and play are both naturally soft and thoughtful. She is very people-oriented and most strongly motivated by interaction, while still maintaining excellent motivation for food and toys. Her gentle nature and steady engagement make her a joy to be around.

Breed: F1 Goldendoodle

Weight: 47lbs

McWagger complements her beautifully. He is sweet, outgoing, and charismatic, with a goofy, playful personality that shines during activity, yet he settles into cuddling far better than you might expect for how enthusiastically he plays. He lives fully in the moment and brings a joyful, present energy to everything he does.

Breed: F1 Goldendoodle

Weight: 31lbs

Together, Marnie and McWagger are expected to produce puppies that are sweet, outgoing, and full of fun. We anticipate mid to moderate energy levels, strong motivation across people, food, and toys, and well-rounded temperaments that will transition seamlessly into nearly any home environment.
