Bindi x Slade — Parent Overview

Bindi is a very sweet, outgoing, and fun girl with a big personality and a playful, goofy way of gaining attention. She is engaging and expressive, bringing joy and energy into every interaction. Her enthusiasm and charm make her a delight to be around.

Breed: F1 Goldendoodle

Weight: 60lbs

Slade complements her beautifully. While he is a bit more reserved than Bindi, he is still incredibly affectionate and sweet. He enjoys play but is happiest when being loved on. Slade is balanced, thoughtful, and engaged in a quieter, steady way, offering a calm counterpoint to Bindi's outgoing nature.

Breed: Mini Poodle

Weight: 14lbs

Together, Bindi and Slade are expected to produce puppies that reflect the best of both parents—sweet, engaging, and well-balanced. While some puppies may be slightly reserved at first, like their father, they are expected to settle in quickly and reveal big, expressive personalities. We anticipate mid to moderate energy levels, motivation skewed toward people and interaction, and temperaments that will make them a welcome fit for the majority of home environments.
