

Meet The Parents

Megan x Cashew — Parent Overview

Megan is a sweet, balanced, and fun-loving girl who is happiest simply being included in whatever you are doing. She is attentive, focused, and deeply in tune with her person, making her a wonderful companion who thrives on connection and shared experiences.

Breed: F2 Goldendoodle

Weight: 34lbs

Cashew mirrors her beautifully. He is sweet, outgoing, and well-balanced, with a strong desire to be by your side and tag along through the day. He is very engaged in his surroundings and approaches the world with an easy, thoughtful confidence.

Breed: Mini Poodle

Weight: 10lbs

Together, Megan and Cashew are expected to produce puppies that reflect the best of both parents—balanced, engaged, and affectionate. We anticipate mid to moderate energy levels, strong motivation for interaction (more so than food or toys), and temperaments that will make these puppies a wonderful addition to a wide variety of home environments.
