

Meet The Parents

Cheyenne x Easton — Parent Overview

Cheyenne is a sweet, outgoing, and beautifully balanced girl. She's happy to romp and play when the moment calls for it, yet just as content to crawl into your lap for quiet cuddle time. Her ability to shift naturally between playful engagement and calm affection makes her an incredibly well-rounded and intuitive companion.

Breed: F1 Goldendoodle

Weight: 37lbs

Easton is a balanced, respectful, and self-assured male with a steady presence. He is sweet and affectionate, carrying an energy level that allows him to be playful and animated while still remaining calm and composed. Easton brings both confidence and gentleness to this pairing, and affection.

Breed: Moyen Poodle

Weight: 37lbs

Together, Cheyenne and Easton are expected to produce a litter that reflects their shared balance. We anticipate sweet, outgoing, and affectionate puppies who can be playful and engaging one moment, then cuddly and calm the next. With mid to moderate energy levels, this litter should transition seamlessly into a wide variety of home environments and make wonderful companions for most any family.
