Clarice x Blaze — Parent Overview

Clarice is a fun, affectionate, and outgoing girl who thrives on engagement. She is playful, highly interactive, and more than happy to be included in whatever is happening around her. Clarice brings a joyful, personality-forward presence and a natural desire to connect with her people.

Breed: F1B Goldendoodle

Weight: 14lbs

Blaze carries a very similar spirit. He is a happy, intelligent boy who can sometimes be a little too smart for everyone's own good. He loves to train, loves to play, and is always ready for an adventure despite his small size. Athletic and energetic, Blaze also enjoys quality cuddle time, offering a nice balance between activity and affection.

Breed: Mini Poodle

Weight: 10lbs

Together, Clarice and Blaze are expected to produce puppies that closely mirror their parents—sweet, engaging, and full of personality. We anticipate mid to moderate energy levels, strong motivation for interaction, and puppies that simply enjoy being involved in life. This litter should be an excellent fit for a wide variety of homes looking for a fun, affectionate, and people-oriented companion.
