Livie x Benedict — Parent Overview

Livie is a sweet, affectionate, and highly engaging girl whose world truly revolves around her person. She loves to run and play when invited, but she settles beautifully for handling and cuddle time just as easily. Her ability to transition between activity and calm affection makes her deeply connected and wonderfully intuitive.

Breed: F1 Goldendoodle

Weight: 10lbs

Benedict shares that same sweet and engaging disposition, just with an even broader range. He runs hard, plays hard, and cuddles hard—bringing enthusiasm and heart to everything he does. If “work hard, play hard” were ever embodied in a dog, it would be Benedict. Despite his intensity for engagement, he remains affectionate and deeply people-oriented.

Breed: Moyen Poodle

Weight: 44lbs

Together, Livie and Benedict are expected to produce puppies that follow closely in their parents’ footsteps—sweet, affectionate, and fully engaged with their people. We anticipate mid to moderate energy levels, strong motivation for interaction, and puppies whose entire world wakes and sleeps with their person. This litter should be a wonderful fit for nearly any home seeking a devoted, interactive companion.
