Wanda x Lincoln — Parent Overview

Wanda is a sweet, engaged, and self-assured girl with a beautifully balanced approach to life. She actively seeks out attention and interaction at every opportunity and does so in a gentle, thoughtful way. Her steady demeanor and natural confidence make her an easy, enjoyable companion.

Breed: Moyen Poodle

Weight: 26lbs

Lincoln complements her perfectly. He is also sweet, affectionate, and outgoing, but where he truly stands out is in his overflowing personality. Lincoln has a charming, humorous presence and loves being the center of attention, bringing joy and energy into every room he enters.

Breed: F1B Goldendoodle

Weight: 25lbs

Together, Wanda and Lincoln are expected to produce puppies that reflect the best of both parents—sweet, affectionate, and well-balanced. We anticipate puppies that are highly people-oriented and motivated by interaction, with mid to moderate energy levels and temperaments that will transition seamlessly into nearly any home environment.
