

Meet the Parents

Barbie x Johnny — Parent Overview

Barbie is sweet, outgoing, and bubbly well beyond what her tiny frame should be able to contain. She is highly engaging and far more interested in what you are doing—and how she can be part of it—than whatever plans she may have had for herself. Barbie brings joyful energy, warmth, and a deep desire to connect with her people.

Breed: F2B Goldendoodle

Weight: 12lbs

Johnny is sweet, respectful, and confidently gentle. Among our staff, he is widely known as one of the cuddliest and most tender boys in the program—and even that description somehow undersells him. He carries himself with calm affection and an easygoing nature that makes him a favorite with everyone he meets.

Breed: Mini Poodle

Weight: 9lbs

Together, Barbie and Johnny are expected to produce puppies that mirror their parents' loving dispositions—sweet, outgoing, and highly engaged with their people. We anticipate mid to moderate energy levels, strong motivation for interaction, and puppies that will transition beautifully into a wide variety of home environments.
