Victoria x Bruno — Parent Overview

Victoria is a gentle, sweet, and engaging girl with the happiest, softest presence. She's open to just about anything—enjoying play when it's offered—but she never misses an opportunity to cuddle and is wagging her tail the entire time she's with you. Her affectionate, easygoing nature makes her a truly comforting and connected companion.

Breed: English Retriever

Weight: 60lbs

Bruno mirrors that same temperament in all the right ways. He is outgoing, sweet, and beautifully balanced, able to enjoy whatever activity is in front of him without ever becoming overbearing—a true feat for a dog of his stature. Gentle and affectionate, Bruno approaches the world with calm enthusiasm and steady engagement.

Breed: Standard Poodle

Weight: 68lbs

Together, Victoria and Bruno are expected to produce puppies that are balanced, affectionate, gentle, and sweet. We anticipate strong people-oriented motivation, mid-level energy, and well-rounded temperaments that will make these puppies a wonderful fit for most home environments.
