## Willamina x Prince Fletcher — Parent Overview

**Willamina** is a sweet, outgoing girl with a delightfully goofy streak. When she's happy to see you, she proudly carries around toys—or the nearest blanket, towel, or anything she can find—as if bringing a gift. She is a wonderfully balanced and engaging dog who is always ready and willing to accompany her people on whatever adventure the day holds.

**Breed:** F1B Goldendoodle

**Weight:** 65lbs

**Prince Fletcher** is balanced, outgoing, and affectionate, with a natural charm that makes him hard not to love. Known as the heir to the “Fletcher Throne,” he is being raised with us now but is ultimately destined to become the personal companion of Sherri Smeraglia, owner and CEO. Fletcher carries himself with confidence and warmth, making him both an engaging and devoted companion.

**Breed:** F1B Goldendoodle

**Weight:** 25lbs

**Together,** Willamina and Prince Fletcher are expected to produce puppies that closely mirror their parents—outgoing, balanced, and affectionate. We anticipate mid to moderate energy levels, broad motivation across many areas, and puppies that are eager to engage with the world around them. This litter should be a wonderful fit for a wide variety of home environments.
