Coralee x Brutus — Parent Overview

Coralee is a sweet, bubbly, and outgoing girl who truly loves attention. She happily molds herself to whatever activity earns that connection—whether that means playful fun or quiet cuddle time. As long as she’s invited to be part of what’s happening, Coralee is completely content. Her affectionate nature and cheerful personality make her a wonderfully engaging companion.

Breed: Mini Schnauzer

Weight: 10lbs

Bruce is a giant dog in a tiny package. No one has told him he’s small, and he approaches every outing, adventure, and interaction with the confidence of a 120-pound mastiff. He is loving, affectionate, eager, and convinced that everyone and everything exists just for him. Brutus is fun, happy, and extremely athletic, bringing bold personality and enthusiasm wherever he goes.

Breed: Mini Poodle

Weight: 9lbs

Together, Coralee and Brutus are expected to produce puppies that closely mirror their parents—sweet, engaging, and outgoing with personalities that live fully in the moment. We anticipate mid to moderate energy levels and puppies that are highly interactive, affectionate, and wonderful fits for a wide variety of home environments.
