

## 🐶 A CLOSER LOOK AT EIRA ORANGE'S TEMPERAMENT

### **Energy Level:**

- Mid

### **Key Temperament Traits:**

- Very focused and engaged
- Sweet, affectionate, and respectful
- Curious and personable
- Strongly people-oriented
- Settles well for handling
- Calm, thoughtful engagement
- Laid-back and easygoing by nature

### **Personality Notes:**

• Orange has developed into a wonderfully well-balanced puppy with a gentle, easygoing, and very chill nature. Across evaluations, he has consistently shown strong engagement with his environment and handlers while maintaining a relaxed demeanor. He enjoys interaction, settles nicely for handling, and demonstrates a thoughtful, affectionate presence rather than high reactivity.

Orange naturally gravitates toward people and shows a steady, composed temperament that should transition smoothly into a wide variety of home environments..

### **Health Notes:**

• Puppy has had JPS (Juvenile Pubic Symphysiodesis) surgery and has been neutered. Both procedures were completed successfully, and he has recovered well. This was done proactively to support long-term health and development and does not impact his day-to-day activity, temperament, or overall quality of life.
