

Victoria Girls Temperament Assessment

F1 Large Teddybear Goldendoodle

Date of Birth: 3/2/2026

Litter Temperament Overview:

The Victoria litter is a wonderfully balanced, intelligent, and well-rounded group with mid-level energy across the board. These puppies are confident without being pushy, affectionate without being overly dependent, and adaptable to a wide range of environments. They show a beautiful blend of curiosity, engagement, and independence, with several displaying steady, thoughtful temperaments. Some of the boys in this litter will take a little more time to adjust to new environments, but once comfortable, they open up beautifully and become loyal, sweet companions. Overall, this litter is full of classic, easygoing puppies who will make wonderful family companions.

Pink

- **Energy Level:** Mid
- **Personality:** Pink is a sweet and thoughtful girl who may take a little time to feel confident in new situations. She can be slightly unsure at first, but with a bit of time and space, she settles in and shows her gentle, affectionate nature. She is balanced in her interactions—neither overly dependent nor overly independent—and is comfortable being handled even if it's not her favorite thing. Once she feels secure, Pink shows her soft, steady temperament and becomes a calm, easy companion. She will thrive in a home that gives her time to build confidence and feel safe.
- **Health Notes:** N/A

Red

- **Energy Level:** Mid to Moderate
- **Personality:** Red is a cheerful and affectionate girl with a warm, engaging presence. She is confident without being pushy and enjoys both play and interaction. She is balanced in her independence—comfortable entertaining herself, yet happy to connect and engage when given the opportunity. She handles touch well and has a bright, playful spirit that makes her a joy to be around. Her adaptability and balanced nature make her a wonderful companion for many types of homes.
- **Health Notes:** N/A

White

- **Energy Level:** Mid

- **Personality:** White is a gentle, confident girl with a balanced and easygoing temperament. She is curious and happy, showing both independence and a willingness to engage with her people. She enjoys play and activity, but also settles nicely when things quiet down. White is slightly smaller in size compared to her littermates and is trending toward a smaller adult weight. Her steady and versatile personality makes her a lovely companion for a wide range of families and lifestyles.
 - **Health Notes:** N/A
-

Pink Dot

- **Energy Level:** Mid
 - **Personality:** Pink Dot is a confident, social girl with a naturally engaging and affectionate nature. She is curious and happy, and enjoys being part of what's going on around her. She has a nice balance of independence and connection, content to entertain herself but also quick to engage when attention is offered. She plays enthusiastically and settles nicely afterward. As the biggest girl in the litter, she carries a lovely, steady presence. Her balanced temperament and adaptable nature make her an excellent fit for a wide range of homes.
 - **Health Notes:** N/A

Meet The Parents

Victoria x Bruno — Parent Overview

Victoria is a gentle, sweet, and engaging girl with the happiest, softest presence. She's open to just about anything—enjoying play when it's offered—but she never misses an opportunity to cuddle and is wagging her tail the entire time she's with you. Her affectionate, easygoing nature makes her a truly comforting and connected companion.

Breed: English Retriever

Weight: 60lbs

Bruno mirrors that same temperament in all the right ways. He is outgoing, sweet, and beautifully balanced, able to enjoy whatever activity is in front of him without ever becoming overbearing—a true feat for a dog of his stature. Gentle and affectionate, Bruno approaches the world with calm enthusiasm and steady engagement.

Breed: Standard Poodle

Weight: 68lbs

Together, Victoria and Bruno are expected to produce puppies that are balanced, affectionate, gentle, and sweet. We anticipate strong people-oriented motivation, mid-level energy, and well-rounded temperaments that will make these puppies a wonderful fit for most home environments.
