Chevelle x Jonah — Parent Overview

Chevelle is outgoing, affectionate, engaging, and incredibly personable. She carries a beautifully balanced mid-level energy that comes alive most around interaction—which is easily her favorite thing in the world. Whatever is happening, Chevelle is happy to be part of it so long as her people are involved too. Her social, connected nature makes her a joy to be around.

Breed: F1B Goldendoodle

Weight: 30bs

Jonah is sweet, charismatic, and wonderfully gentle. He prefers cuddles and interaction over just about anything else and thrives on quiet connection with his people. While he can be a little nervous at first around new faces, his desire to please and naturally affectionate temperament shine through beautifully once he feels comfortable.

Breed: F1B Schnoodle

Weight: 24lbs

Together, Chevelle and Jonah are expected to produce puppies that are affectionate, engaging, gentle, and deeply people-oriented. We anticipate balanced temperaments with mid-level energy, strong motivation for interaction, and puppies that thrive on connection and companionship. This litter should be a wonderful fit for homes looking for a sweet, socially connected companion.
