Faith Litter Temperament Overview:

The Faith litter is a highly engaging, affectionate, and socially driven group that reflects a beautiful blend of both parents. These puppies are naturally drawn to people and thrive on interaction, showing strong motivation toward companionship, engagement, and connection. While a few may take a brief moment to settle into new environments, they adjust well and quickly become playful, curious, and very affectionate companions.

This litter demonstrates excellent focus and engagement, with several puppies showing early potential for service, therapy, or emotional support work. Energy levels vary slightly across the group, ranging from true mid to mid-moderate, allowing for a nice variety of personalities to suit different home environments. Overall, this is a sweet, people-oriented, and well-balanced litter that will do best in homes that prioritize interaction and connection.

Faith Blue

- **Energy Level: Mid Level**
- **Personality:** Faith Blue is a very well-balanced, affectionate, and gentle puppy who settles in quickly once given a brief moment to adjust. He presents with a soft and sweet demeanor, paired with a natural inclination toward people and engagement. While slightly reserved at first, he builds confidence independently and transitions into a personable and connected companion. His mid level energy makes him easy to live with, and he offers a calm, steady presence while still enjoying interaction. He is a thoughtful and balanced puppy who will do well in a wide range of homes
- **Health Notes:** Puppy has a mild underbite. This is very minor and will likely correct as they continue to grow. It will not affect daily life or cause any discomfort and is purely cosmetic. This has been cleared by our vet.

Faith Green

- **Energy Level: Mid Level**
- **Personality:** Faith Green is a gentle, thoughtful, and balanced puppy who may present as slightly unsure at first but adjusts with time and reassurance. Once comfortable, he becomes curious, playful, and very respectful in his interactions. He maintains a nice balance between independence and engagement, without being overly demanding. His mid level energy keeps him easy to manage while still allowing for play and interaction. He will thrive in a home that allows him the time to build confidence and continue developing into a well-rounded companion.
- **Physical Notes:**
 - Both testicles are currently undescended. This is very common at this age and we expect them to descend as they continue to mature. It will not cause pain or affect daily life. This has been cleared by our vet.

Faith Orange

- **Energy Level: Mid to Moderate**
- **Personality:** Faith Orange is a sweet, affectionate, and engaging puppy who enjoys interaction but may take a moment to fully settle into new environments. Once comfortable, he becomes a very gentle and personable companion with a balanced approach to both people and independence. His energy level sits between mid and moderate, increasing with interaction and engagement. While slightly unsure initially, he has a soft and willing nature that allows him to adjust well with time. He will do best in a home that provides patience during adjustment and continues to engage with him consistently.
- **Health Notes:** N/A

Faith Blue Dot

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level: Mid to Moderate**
- **Personality:** Faith Blue Dot is a highly engaging, confident, and very people-oriented puppy who thrives on interaction and connection. He actively seeks out attention and is eager to be involved, often showing a slightly pushy but enthusiastic approach to engagement. He is playful, happy, and very responsive, with a strong desire to connect and form bonds. His energy level ranges from mid to moderate, rising with interaction, making him both fun and interactive while still manageable. Based on his strong human focus, engagement, and responsiveness, he shows excellent early potential for service or therapy work. He will do best in a home that will consistently engage with him and include him in daily activities.
- **Health Notes:** N/A

Faith x Stitch — Parent Overview

Faith is an outgoing, bubbly, and highly engaging girl who absolutely loves people. She is almost over-the-top in her pursuit of affection, using nearly all of her moderate energy to seek out attention and connection. Faith is the definition of engagement—always ready to interact and be fully involved with her person.

Breed: Moyen Poodle

Weight: 20lbs

Stitch brings that same loving nature, just on the opposite end of the spectrum. He is a sweet, gentle, and affectionate boy with a naturally calm demeanor. More of a cuddlebug than anything else, Stitch prefers quiet connection and closeness, offering a soft, steady presence.

Breed: F1 Schnoodle

Weight: 12lbs

Together, Faith and Stitch are expected to produce puppies that blend these traits beautifully—sweet, affectionate, and deeply driven by interaction. We anticipate mid to moderate energy levels, with some natural variation, and puppies that thrive in homes where they can be consistently engaged. This litter should be a wonderful fit for families looking for a highly connected and interactive companion.
