

Meet The Parents

Faith x Stitch — Parent Overview

Faith is an outgoing, bubbly, and highly engaging girl who absolutely loves people. She is almost over-the-top in her pursuit of affection, using nearly all of her moderate energy to seek out attention and connection. Faith is the definition of engagement—always ready to interact and be fully involved with her person.

Breed: Moyen Poodle

Weight: 20lbs

Stitch brings that same loving nature, just on the opposite end of the spectrum. He is a sweet, gentle, and affectionate boy with a naturally calm demeanor. More of a cuddlebug than anything else, Stitch prefers quiet connection and closeness, offering a soft, steady presence.

Breed: F1 Schnoodle

Weight: 12lbs

Together, Faith and Stitch are expected to produce puppies that blend these traits beautifully—sweet, affectionate, and deeply driven by interaction. We anticipate mid to moderate energy levels, with some natural variation, and puppies that thrive in homes where they can be consistently engaged. This litter should be a wonderful fit for families looking for a highly connected and interactive companion.
