

# Meet the Parents

## Kate x Scotch — Parent Overview

**Kate** is an affectionate, bubbly, and highly engaging girl with an outgoing personality that draws people in effortlessly. She loves anyone and everyone who gives her attention, and her silly, sweet demeanor makes her an instant friend wherever she goes. Kate brings warmth, enthusiasm, and a deep love for connection.

**Breed:** F1 Schnoodle

**Weight:** 10lbs

**Scotch** is a gentle and confident boy with a calm, affectionate nature. While he enjoys play and has natural bursts of energy, he would almost always choose to be held and loved on if given the option. His steady, loving presence adds softness and balance to this pairing.

**Breed:** Mini Poodle

**Weight:** 15lbs

**Together**, Kate and Scotch are expected to meet beautifully in the middle, producing sweet, affectionate, confident, and highly engaged puppies. We anticipate mid-level energy (leaning toward mid to moderate), strong people-oriented motivation, and well-rounded temperaments that will make them wonderful fits for a wide variety of home environments.
