

# Vada Boys Temperament Assessment

Vada Boys Play Video

Date of Birth: 4/13/2026

## Vada Litter Temperament Overview:

The Vada x Orion litter is an exceptionally affectionate, confident, and highly people-driven group that consistently reflects exactly what we aim to produce. These puppies are very social, engaging, and naturally motivated by interaction, often going out of their way to gain and maintain attention in a sweet and appropriate manner. They are playful, silly, and full of personality, while still remaining well-balanced and easy to work with.

Across the board, this litter shows strong early confidence without being overwhelming, excellent tolerance for handling, and a natural desire to bond closely with their people. Energy levels range from mid to mid-moderate, with most puppies becoming more animated during interaction while still settling appropriately.

Overall, this is a very consistent, trainable, and adaptable litter with multiple puppies showing early potential for service, therapy, or emotional support roles. They will thrive in homes that want a loving, engaged companion that is truly part of everyday life.

## Vada Blue

### POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level: Mid Level**
- **Personality:** Vada Blue is a very sweet, affectionate, and engaging puppy with a confident yet gentle approach to interaction. He naturally seeks out people and enjoys being involved, showing a strong desire to connect without being overwhelming. He is playful and a little silly, bringing a fun and light personality while still remaining very balanced and easygoing. He handles interaction and handling extremely well and thrives in environments where he can be included. His energy level is a true mid, meaning he can play and engage while also settling nicely. He will do best in a home that enjoys a loving, interactive companion.
- **Physical Evaluation:** N/A

---

## Vada Green

### POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level: Mid Level**
- **Personality:** Vada Green is a well-balanced, affectionate, and easygoing puppy who shows a strong but appropriate preference for people. He enjoys interaction and connection, while still being capable of settling and existing independently when needed. He is gentle, personable, and very consistent in his temperament, making him an easy puppy to live with. He handles interaction and handling very well and shows a steady, adaptable personality. His energy level is a true mid, allowing him to engage in play while also settling comfortably. He will do well in most homes, especially those that offer consistent interaction and companionship.
- **Physical Evaluation:** N/A

---

## Vada Orange

### POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level: Mid Level**
- **Personality:** Vada Orange is a very sweet, affectionate, and people-oriented puppy with a slightly softer, milder demeanor compared to some of his littermates. He is very engaging and enjoys being close, but does so in a calm and gentle way rather than being overly pushy. He is personable, easy to handle, and naturally drawn to connection, making him a very enjoyable companion. His energy level is a steady mid, allowing him to engage in play while maintaining a calm and manageable presence. He will do best in a home that values a loving, close companion who prefers to stay connected without being overwhelming.
- **Physical Evaluation:** N/A

---

## Vada Blue Dot

### POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level: Mid Level**
- **Personality:** Vada Blue Dot is a very affectionate, happy, and engaging puppy who thrives on interaction and connection. He shows strong people focus and enjoys being involved, while still maintaining a balanced and manageable temperament. He is playful, gentle, and very personable, making him easy to bond with and enjoyable to be around. He handles interaction and handling very well and responds positively to engagement. His energy level is a true mid, allowing him to play and interact while still settling appropriately. He will do best in a home that enjoys a connected and interactive companion.
- **Physical Evaluation:** N/A

---

## Vada Green Dot

### POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level: Mid to Moderate**
- **Personality:** Vada Green Dot is an exceptionally engaging, confident, and people-driven puppy with a standout level of connection and responsiveness. He actively seeks interaction and forms strong bonds, showing an incredible desire to engage, learn, and stay involved. He is very affectionate and personable, with a slightly more assertive personality when it comes to gaining attention, though still socially appropriate. He settles beautifully during handling and shows strong adaptability between play and calmness. His energy level sits in the mid to moderate range, rising with excitement and interaction while still maintaining the ability to settle. With his strong human focus, confidence, and responsiveness, he shows excellent early potential for service, therapy, or alert-style work. He will thrive in a home that is highly interactive and involved.
- **Physical Evaluation:** N/A

**MEET THE PARENTS!**

# Meet the Parents

## Vada x Orion — Parent Overview

**Vada** is an outgoing, affectionate, confident, and downright hilarious girl. She is overflowing with a sweet, goofy personality that keeps everyone around her entertained—you truly never know what she's going to do next (and honestly, she probably doesn't either). Vada brings a joyful, unpredictable charm that makes her incredibly lovable and engaging.

**Breed:** F2 Goldendoodle

**Weight:** 24lbs

**Orion** is like a more polished version of that same spirit. He is sweet, affectionate, engaging, and outgoing, with a deep love for people and an impressive drive to gain and maintain your attention. Playful, cuddly, energetic, and intelligent, Orion channels all of these traits into building connection and interaction with those around him.

**Breed:** Mini Poodle

**Weight:** 9.6lbs

**Together**, Vada and Orion are expected to produce puppies that are sweet, affectionate, outgoing, and full of goofy personality. We anticipate mid to moderate energy levels and puppies that will go out of their way to gain and keep your attention. This litter should be an incredible fit for homes looking for a dog that wants to be by their side as much as possible
