## Vada x Orion — Parent Overview

**Vada** is an outgoing, affectionate, confident, and downright hilarious girl. She is overflowing with a sweet, goofy personality that keeps everyone around her entertained—you truly never know what she's going to do next (and honestly, she probably doesn't either). Vada brings a joyful, unpredictable charm that makes her incredibly lovable and engaging.

**Breed:** F2 Goldendoodle

**Weight:** 24lbs

**Orion** is like a more polished version of that same spirit. He is sweet, affectionate, engaging, and outgoing, with a deep love for people and an impressive drive to gain and maintain your attention. Playful, cuddly, energetic, and intelligent, Orion channels all of these traits into building connection and interaction with those around him.

**Breed:** Mini Poodle

**Weight:** 9.6lbs

**Together**, Vada and Orion are expected to produce puppies that are sweet, affectionate, outgoing, and full of goofy personality. We anticipate mid to moderate energy levels and puppies that will go out of their way to gain and keep your attention. This litter should be an incredible fit for homes looking for a dog that wants to be by their side as much as possible
