

# Meet the Parents

## Irene x Howie — Parent Overview

**Irene** is an absolute hoot. She is fun, outgoing, bubbly, sweet, and almost overly affectionate in the most lovable way possible. Irene approaches life with an enthusiasm that is genuinely contagious, bringing joy and excitement wherever she goes. Her zest for life and deep love for people make her an incredibly engaging companion.

**Breed:** Moyen Poodle

**Weight:** 36lbs

**Howie** is every bit as charming. He is outgoing, sweet, and effortlessly personable, with a natural ability to make friends wherever he goes. Howie loves being around people regardless of the activity and is one of those rare dogs who seems genuinely motivated by life itself. His happy, easygoing nature makes him a favorite wherever he is.

**Breed:** F2 Goldendoodle

**Weight:** 28lbs

**Together**, Irene and Howie are expected to produce puppies that closely mirror their parents—fun, outgoing, charming, sweet, and playful. We anticipate mid to moderate energy levels that naturally rise toward moderate during periods of excitement and interaction. This litter should be full of engaging, people-oriented puppies who embrace life with enthusiasm and make wonderful companions for a wide variety of homes.
